

Joshua Project API Terms of Use

Thank you for using the Joshua Project Data API. By accessing or using this API, you agree to comply with the following terms and conditions. Please read these Terms of Use carefully before using the API.

Permitted Use:

You are granted a non-exclusive, non-transferable, and revocable license to access and use the Joshua Project data via the API. Your use of the data is free of charge.

Non-Commercial Use:

You may not use the Joshua Project data or API for commercial purposes. Commercial use includes, but is not limited to, the sale of the data, creating commercial products, or using the data to generate revenue.

Attribution:

When using Joshua Project data, you agree to provide proper attribution by displaying the following acknowledgment: "Data provided by [Joshua Project](#)" (including the hyperlink). This attribution should appear on any page displaying content provided by Joshua Project. Ensure that the attribution is clear and visible in your application or project. Joshua Project reserves the right to review the placement and adequacy of the attribution provided by users and request modifications if necessary.

No Direct Replication:

You may not use the data in a public manner that replicates the services or presentation offered by Joshua Project. Replicating Joshua Project functionality, presentation or providing a highly overlapping service using Joshua Project content is prohibited. API users creating public presentations should provide some kind of value added rather than a re-packaging of Joshua Project content. If you have any questions, please contact us at info@joshuaproject.net.

API Access Limits:

You agree not to abuse the API to the extent that it impacts the performance or availability of the service for other API users.

No Warranty:

Joshua Project provides the data and API on an "as is" basis without any warranty, express or implied. Joshua Project seeks to provide the best available data. However, users are advised that the data may contain inaccuracies, gaps, or errors. Joshua Project makes no guarantees regarding the absolute accuracy or completeness of the data. The data should not be treated as perfectly precise information.

Termination:

Joshua Project may terminate access to the API at any time, with or without cause. Upon termination, you must immediately cease using the API and delete any downloaded or cached data.

Changes to Terms:

Joshua Project reserves the right to modify or update these Terms of Use at any time. Users are encouraged to review the terms periodically for changes.

Contact Information:

By using the Joshua Project Data API, you agree to abide by these Terms of Use. If you do not agree with any part of these terms, please do not use the API. For inquiries or permission requests not covered in this Terms of Use, please contact Joshua Project at info@joshuaproject.net.

Thank you for your cooperation and adherence to these terms.
